

Established in 1989, Model Engineering College, located in Kochi, Kerala, stands as a beacon of excellence in technical education. Affiliated to APJ Abdul Kalam Kerala Technological University, our institution offers a wide array of undergraduate, postgraduate and doctoral programmes in engineering and technology.

For B.Tech course, allotment to 95% (50% Merit- Regulated Fees and 45%- Full Fees) seats of the annual intake is made by the Commissioner for Entrance Examination (CEE), Government of Kerala from the rank list of Kerala Engineering Entrance Examination conducted every year by Government of Kerala. 5% seats are reserved for non resident Indians (NRI seats). For NRI admission, separate applications are invited by Model Engineering College and rank list is prepared on the basis of qualifying examination and students are admitted from this rank list.

The training cell is a professional body of the college run by the skilled students of the college, under the expert guidance of the staff. This body facilitates the process of placement of students passing out from the Institute besides collaborating with leading organizations and institutes in the setting up of training programs for the students of this esteemed college. The Training Cell's aim is to create an environment of technical and soft skill learning, to develop them in accordance with the current Industry standards.

Some of the top recruiters include Amazon, Microsoft, Yahoo, LinkedIn, Nvidia, Cypress Semiconductor, Open-Silicon, GE, Philips Healthcare, FactSet, D. E. Shaw & Co. and Nutanix. The students do summer internships at prestigious organizations such as Oracle, Siemens, Ansys, S&P Capital IQ and Deloitte to get exposure to the corporate world that awaits them. The college also plays host to numerous workshops and seminars conducted by prominent companies.
